ÆTNA

LIFE INSURANCE COMPANY,

Hon. E. A. BULKELEY, President,
AUSTIN DUNHAM, Vice "
T. O. ENDERS, Secretary.
H. W. ST. JOHN, Actuary.

SUMMARY OF BUSINESS FOR 1867

Total Assets, over	$10,000,000
Polices Insured in '67,	15,251
Am'nt insured, nearly	$45,000,000
Policies Average "	3,000
Receipts for 1867,	5,129,447
Surplus for Dividends,	2,000,000

Dividend Fifty per cent.

Receipts for Interest Nearly Paid Its Losses.

It has $130 Assets for every $100 Liabilities.

Its premium receipts at the present time are nearly HALF A MILLION DOLLARS per month and are rapidly increasing.

The growth of the Ætna has never been equaled by any other Company whatsoever, in Europe or America.

Particular attention is called to the fact that while its business is increasing unprecedentedly, its ratio of expenses is comparatively small.

ECONOMY of management, CARE in the selection of risks, *promptness* in the payment of death claims, and *security* in the investment of its immense Trust Funds, are rigidly adhered to, and have ever characterized this Company.

The ÆTNA issues all the favorite kinds of Policies at the most favorable rates.

The ÆTNA issued last year more Endowment Insurances than any other Company.

The ÆTNA'S ratio of expenses, or cost of new business is less than any other Company whatsoever, and less than *two-thirds* of the average.

The ÆTNA is as liberal in permits to travel, in all parts of the world, as a sound discretion will warrant, and is much more liberal than any other prominent Company.

ANNUAL INCOME over $6,000,000.

The only Company that has the Low Participating Non-forfeitable Term Insurance with privilege of renewal. Ex. of rate at age 30 $14 67, which is nearly 40 per cent. lower than any other leading Company. Also

Non-forfeiting cash rates with dividends on contribution plan and payable at the end of the first year.

Description of Policies.

First—Whole Life Policies.

Second—Endowment Policies, for terms of ten fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term, or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the rates published herewith, will participate in the surplus from the date of issue,

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made the dividends will be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON-FORFEITURE RULES.

No whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payment as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends, then accumulated, will purchase, taken as a single net premium, upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

LIFE INSURANCE.

The Most Vigorous and the Most Liberal Insurance Company in the Country.

BROOKLYN LIFE INSURANCE COMPANY,

141 Broadway, N. Y.

ASSETS OVER

$1,000,000!

CHRISTIAN W. BOUCK.....President.
ABRAM D. POLHEMUS.....Vice President.
WILLIAM M. COLE.....Secretary.
D. F. FACKLER.....Consulting Actuary.
DANIEL AYRES, M. D., LL.D.....Med. Examiner.

POLICIES ISSUED AS GOOD AS UNITED STATES BONDS.

POLICIES VALUABLE IN LIFE AS AT DEATH!

The BROOKLYN LIFE is the only Company in the country which guarantees a definite surrender-value to every Policy on which two or more annual premiums have been paid; this amount, in dollars and cents, is endorsed on every Policy issued, should any Policy-holder become unable to pay his premiums, he can thus know the cash worth of the Policy at any time after two annual premiums have been paid.

This certainly is the greatest inducement and most tangible advantage ever accorded to parties insuring their lives.

Among the advantages offered by the BROOKLYN, which shows very serious the determination of the officers to make it the most liberal Life Insurance Company in the United States, are:

1st. TOTAL REMOVAL OF ALL RESTRICTIONS ON TRAVEL AND RESIDENCE. The Assured may travel or reside anywhere in any climate, the world over, without extra premium or special permit.

2d. A loan of one-third of the Premium to the Policy-Holder Annually.

3d. All Policies are non-forfeitable after two full annual premiums have been paid.

4th. Rates as low as are consistent with financial soundness, and less than those of almost all Companies which accommodate their assured with notes.

5th. Dividends annually (after second year) in cash. Dividends are divided on the CONTRIBUTION PLAN—the only equitable manner of dividing the earnings of a Life Insurance Company. The Contribution Plan was first conceived by Mr. D. F. Fackler, now Actuary of this Company, and has been adopted by most of the best managed Life Companies in this country.

The BROOKLYN LIFE has paid and now pays to its Policy-holders LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

6th. Promptitude in paying losses.

7th. No charge for policy or stamp.

The success which the "BROOKLYN" has achieved, fully exemplified in its rapid and healthful growth, is a convincing proof of the confidence reposed by the public in its soundness, integrity and liberality.

HOUSE OF REPRESENTATIVES.

THURSDAY, March 4, 1869.

The House was called to order at the usual hour

Prayer by the Rev. Mr. Long, of Chatham, of the House.

Journal of yesterday read and approved.

Mr Gunter presented a report of the Commissioners of Chatham county. Referred.

Mr. Barnett, from the Committee on Corporations, reported favorably upon the bill incorporating the town of La Grange, Lenoir county. The bill took its place upon the calendar.

Mr. Ames, from the Committee on Internal Improvements, reported favorably upon several bills, which were placed upon the calendar and will be noticed when they come up regularly.

RESOLUTIONS.

By Mr. Pou: A resolution ratifying the proposed amendment to the Constitution of the United States, known as article 15th. Lies over.

By Mr. French: A resolution providing that no member shall, during the remainder of the session, draw *per diem* for the time he may be absent except such absences caused by sickness of himself or family.—Lies over.

By the same: A resolution in favor of the Sheriff of New Hanover county. Lies over.

By Mr. Justice of Rutherford: A bill to suspend the jurisdiction of the Superior and Inferior Courts, in certain cases. Referred.

By Mr. Pou: A bill in favor of J. L. Banks. Referred.

By the same: A bill to make Neuse River a lawful fence in certain cases. Referred.

By Mr. French: A bill to regulate the issue of State bonds. Referred.

On motion of Mr. French, the rules were suspended, and the bill in favor of the Sheriff of New Hanover county, was taken up and passed its several readings.

On motion of Mr. Painter, the rules were suspended, and the bill concerning the Western Turnpike Road, was taken up. [The bill turns over the control of the road from Asheville to Murphy in Cherokee county, to the various counties through which it runs.]

Messrs. Painter and Welch, advocated the measure in remarks of some length.

Mr. Candler opposed it.

After some discussion, the bill passed its second reading, and, was made, on motion of Mr. Welch, the special order for to-morrow morning, at 11 o'clock.

On motion of Mr. Moore, the rules were suspended, and his resolution to print the Calendar of public bills every Monday morning for the use of members, was taken up and adopted.

By Mr. Ames: A bill in favor of the late Sheriff of Lenoir county. Referred.

On motion of J. H. Harris, colored, of Wake, the rules were suspended, and the bill to protect wives abandoned by their husbands, was taken up and passed its several readings.

By G. W. Price, colored, a bill to incorporate —— Lodge, No. 23, A. Y. M., in the city of Wilmington. Referred.

The special order was announced, to wit: The various bills submitted by the Code Commission.

The bill concerning the settlement of the estates of deceased persons, was taken up.

On motion of Mr. Seymour, it was considered by sections.

Pending the discussion upon an amendment to sec. 1 of the bill, a message was received from the Governor, transmitting a communication from the Secretary of State of the United States, the Hon. W. H. Seward, containing an attested copy of the resolution of Congress proposing to the Legislatures of the several States, a fifteenth article to the Constitution. The message recommends the adoption of the article.

Mr. French moved that a Committee of Five be appointed to prepare suitable resolutions, with instructions to report before one o'clock, and said report to be special order for one o'clock. Carried.

The Chair appointed Messrs. French, Jarvis, Seymour, Pou and Moore, of Chowan.

Messrs. Leary, colored, and Sykes, colored, were afterward added to it.

The bill concerning the estates of deceased persons, was resumed.

Mr. Malone's amendment to section 1st, was put to a vote and adopted.

Pending the adoption of the 1st section, the further consideration of the bill, was, on motion of Mr. Moore, of Chowan, postponed.

On motion of the same, the bill laying off the Homestead and personal exemption, was taken up.

The question recurred upon Mr. Pou's amendment, known as section 38.

After some remarks, Mr. Pou called the previous question.

The call being sustained, the House rejected the amendment, by a vote of yeas 29, nays 41.

The hour for the special order arrived, to wit:

The Constitutional amendment to the Constitution of the United States, known as the XV Article.

Mr. Bowman moved to postpone it for one hour.

Mr. Malone moved to amend by saying to-morrow morning at 11 o'clock.

Upon that motion, the yeas and nays being called, the House refused to postpone until to-morrow by a vote of yeas 37, nays 53.

Mr. Bowman was allowed to withdraw his motion.

Mr. French from the Committee appointed to prepare suitable resolutions adopting the proposed article, reported a series of resolutions adopting the aforesaid article.

Mr. Hodnett said he had been frequently misrepresented by persons, endeavoring to show that he was inimical to colored people. The records of the late Constitutional Convention would show that he had made a proposition to give that race a qualified suffrage, thinking it would subserve the interest of that people better than universal suffrage, but the people have declared against qualified and in favor of universal suffrage and he would accept the result &c.

Mr. Jarvis said, in 1861, grave questions arose which divided and plunged this country into a war. He had taken the side of his portion of the country and fought to the best of his ability, to defend and maintain the principles in which he believed; but when the fate of war decided the question against him, he surrendered in good faith. When he in 1865, saw the flag which he had followed over so many bloody fields in triumph and victory, furled, he recognised the fact that it was furled forever, and from that time he returned to his allegiance to the Union, and has, and would maintain it with an unwavering devotion. After the close of the war, there arose differences as to the proper conduct of the affairs of the State government and he, as he had a perfect right to do, formed and expressed an opinion, as to how the disturbed affairs of the country should be settled. Now the people had decided by a overwhelming majority in favor of the principle of universal suffrage, and he accepted that same also with the same faith that he accepted the issues of the late war. He voted for this amendment to the Constitution of the United States, in no vindictive spirit towards the Northern people for having forced universal suffrage upon the people of this section. He did not abandon a single one of those great recognized political principles of the Conservative party by this vote, but was influenced in his action by a sincere desire to settle at once controversy and turmoil, and to inaugurate the maxim of the incoming President, "Let us have Peace."

Mr. Malone took the floor and said:

It is known to this House, that in a session of over three months duration, I have not offered a single partizan resolution, or indulged in any species of party recrimination. I was one of the men who thought that a mild, conciliatory course of policy would best subserve the interest of the people whom I had the honor to represent; and was willing, and even desirous, to acquiesce, in good faith, in all the legitimate results of the war, as well as to abide calmly the results of the recent Presidential election. But, sir, I feel *compelled*, from a sense of duty, to expose what I believe to be a "*sugar-coated humbug*," contained in this resolution.

Why this great haste to change the Constitution of the United States? The Chairman of the Committee (Mr. French) who offered this resolution, has spent several hours, and I might say, several days, in the discussion of a miserable little *tooth bill*, in regard to *quackery in dentistry*. Yet, now, when the FUNDAMENTAL LAW of the land is to be changed,—when the great principle of "State rights" is to be destroyed,—gentlemen call for "gag-law." Yes, they say, this is the 4th day of March; we will sing hosannah's to him who says "let us have peace"; that *this* day shall be a glorious day for the old North State. That is to say, *every man shall be allowed to vote*. Now, look at the humbuggery. Who proposes to disturb the rights of the colored man to vote? Who would dare advocate the undoing of what has been done? Does not the Constitution of the State guarantee to the colored man the right to vote? Have not the people ratified, and have we not all sworn to support it? What, then, the necessity of this measure? I answer, that it is a contemptible partizan movement. The object is to throw *gulls* to the black men, and to feed the prejudice and administer to the credulity of the thousands of Republicans who throw open their mouths like *blind young robins*, who gulp down everything which the old robin may bring. Yes, they swallow all—"bugs," "spiders," cobwebs and all, go down the throats of these hungry fledglings of party devotion.

To day, the Republican party proposes to *stultify* itself. And they even ask Conservatives to cooperate in this stupid duplicity. When the gentleman from Tyrrel announced his purpose to go for this resolution, this house is converted into a sort of political hustings, by the clapping of hands and loud demonstrations of applause.

But what did the Republican party say in the city of Chicago, on the 20th of May, 1868? I read from the second section of the platform upon which Grant was nominated:

"Second—The guaranties by Congress of equal suffrage to all loyal men at the South was demanded by every consideration of public safety, of gratitude and of justice, and must be maintained, while the question of suffrage in all the loyal States properly belongs to the people of those states. [Cheers.]"

Yes, when this plank of the platform was announced, loud cheers went up, in token of the enunciation of this great principle that the *question of suffrage properly belonged to the people of the states.*

Why was this inserted in the Republican platform? Because the people of many of those States would not have supported the ticket but for this portion of the platform. They had not forgotten the fact that *equal suffrage* had been voted down in Connecticut by 6,000 majority; New York, in 1860, by 140 000; Illinois, in 1863, by 190,000; Ohio, by 40,000; that the Pennsylvania Legislature could muster 13 votes, of the whole Republican Legislature of that State, even to *submit the proposition to the people.* It was known that, without the votes of these States, the "peace man" could not be elected. But now, having obtained the votes of the people, under false and fraudulent pretences, and to *pander* to the colored voter, this party shifts its position. And now, they, with the same cheering and "flinging of hats," propose to say that the question of suffrage does not belong to the "loyal States."

Is not North Carolina *loyal* now? If this question properly belonged to the States, six months ago, why not now? Did you not proclaim the principle as *right?* Do you not now proclaim it *wrong?*

"On consistency thou art a jewel." Oh, yes, the rights of the States should be carefully guarded, a few months ago, but *now* they are to be swallowed up by the despotism that may be erected in the Capitol of the nation. The effect of this proposed change in the Constitution is to destroy every vestige of State sovereignty and State rights—and transfer the liberties of the people into the greedy power of a centralized despotism.

Why do we have States? Why is it that we hear gentlemen on this floor so often speak of the glorious "old State of North Carolina?" Why are we proud of the sacred memories which cluster around the graves of the departed ancestors of our soil? Why the State pride—the bold exultation of citizenship? Why do we reverence her, even with the name Rip Van Winkle!—Simply because she has certain *rights*, not to be taken away—because we thought that a great State should not be merged into a consolidated monarchy by the chicanery and combination of a political party. But I propose to show that this party is acting in bad faith with the colored man. What is the effect of this resolution? It simply says no State shall have the power to prevent any citizen from *voting* on account of race or color, &c.

I call special attention to the language. Everybody must *vote*, but must everybody *hold office?* Mark the point. Colored men, under this Constitution you *may be deprived from holding office.* And this they *intend.* Look at Tennessee. The colored man can *vote* but by the *express law of the State he cannot hold office.* Is there a colored man holding any prominent office in the Northern States? Did they not almost kick Fred. Douglas out of the meeting which assembled to nominate candidates for the recent Constitutional Convention of New York?

This *wiry party* has concluded to say to the States, you *must* let the colored man vote. But I suppose the right to refuse them to *hold office properly belongs to the loyal States?* So that Tennessee, Ohio, and Pennsylvania may *refuse* to admit them to hold office, but they must let them *vote!* Oh! yes, it is a delightful thing to vote, and to vote for these same men who at *home denied* the colored man even the right to *vote.*

These men want your votes—they intend to control you at the ballot box. Even in North Carolina you are to be controlled by the managing leaders of this party. Although you have 70,000 voters; that without you there is no party in the State. I say the great body of the Republican party of the State is made up of colored votes—that without *you* they have not a "Corporal's guard"—no party—a mere insignificant minority without power sufficient to elevate a single man to office. Now, is this party acting in good faith with the colored man? I call on the colored voters to watch this party, which has been guilty of more duplicity and treachery than any other party in the history of the world. A party that would degrade and humiliate its own Anglo Saxon race—a party that would become traitor to its own noble ancestry, would not hesitate to mislead and even destroy the colored race. This party wants power and position—they seek the *spoils*, and it is determined to suck the very life blood of the people while they play the greedy vampyre in fanning the gentle winds around the dying subject that he may meet death in composure.

Observe many of these fanatical leaders of the State, holding high positions. They come to the black man, and in honeyed phrases and smooth tongued deception proclaim themselves the special friends and champions of the rights of the colored man; but when you go to the States from which they came, we find the poor black man oppressed—degraded and cruelly deprived of that political equality which is claimed for them in the South. These same men with all the subtle cunning of the viper, attempt to poison the minds of the black man against the white race. They talk about rebel, traitor, aristocracy, and every possible epithet of calumny is used in reference to the people of the South—they slander and defame the fair reputation of a bold and chivalrous people who dared to assert their rights, even at the hazard of life itself.

Listen at this hypocritical cant about the dear poor down-trodden colored people.—Listen to the insane boastings of a glorious Union, and a reconstructed government. Listen to the "Fourth of July" ravings of patriotism that have so often gone out from this Capitol, mingled with inflamed ejaculations in behalf of the nation—the people,—and especially the *poor black man!* Yes, in this Hall, in editorials, in harangues, in sermons, every where, and on all occasions, the impudent imposters of this party denounce and calumniate the best citizens of the State of North Carolina. And what are the consequences? Alienation of sentiment, distrust, enmity, feuds and dissentions among the people! White misery, ruin, and almost starvation pervade the entire country.

It will not be forgotten that a few weeks ago, when the resolution was pending, asking Congress to remove the political disabilities of the people of North Carolina, that this House *refused* to pass the resolution. The same gentlemen, who now, by means of the gag of the previous question, proposes to limit debate on this question, said he was *not ready to vote* for that resolution, that he wanted these rebels to *repent* and "show their faith by their works." Oh, yes, the black man must vote, the Chinaman must vote, but thousands of the descendants of Washington, Hamilton, Jefferson and Jackson are *unfit* to exercise the "elective franchise." While the unpardoned criminal, from the bastile or the Penitentiary, can walk up to the ballot-box, the descendants of the immortal Washington, full of honors and full of years, must be driven from the American ballot box as totally unworthy of that high privilege for which they fought, in days of the past. Talk to me about a reconstructed Union, with a half million of the best men of the land, carcrached, disfranchised, and hurled from all the positions of honor and trust! Look yonder at disfranchised and down trodden Tennessee, polluted with all the disgrace of vandalism and agrarianism. Look at poor tyrant ridden Missouri, and yonder is bleeding Arkansas, down-trodden by that barbaric ruffian Clayton, who throws his mercenary militia upon the homes of defenceless women and children. Yonder, too, is the glorious old volunteer State of Kentucky infested by the disturbers of those quiet homes. And last, though not least, is the noble old "Mother of States and Statesmen," lying almost bleeding at the feet of these tyrannical Honeycutts and Underwoods. Yes, they must *repent;* they must get down in the dust, and crawl like whipped spaniels! Then, and not until then, shall they receive the commiseration of this party.

Everybody must *vote*, but those who have fought the battles of the nation are unworthy to hold office. Tom men who followed Lee and Jackson, and Hill, to the heights of Gettysburg, are unworthy of this noble privilege. Ah, even the followers of old Hickory, at New Orleans, or the followers of Scott, to the heights of Cerro Gordo and Chapultepec, are too degraded and ignominious to share in the once boasted rights and franchises of this great nation!

This, Mr. Speaker, shows the insincerity and utter reckless inconsistency of the Republican party. This resolution is not prompted by noble and magnanimous motives, but by the most detestable party motives. Especially is this so, in regard to the chief rulers of the party at Washington. This resolution is an imputation upon the honesty of the people of North Carolina. It shows distrust of the Republican party itself, in this State. It implies the purpose on our part to deprive the colored man of the rights given him by the Constitution of the State. It is an imputation upon the people of the State, that I repel with scorn and indignation. We do not propose to disturb a single privilege of the black man. We are his friends, and we propose to stand by him in all of his trials and difficulties. We desire to defend him from the schemes and duplicity of many of these party leaders, who care for his *vote*, and nothing more. We wish to see the colored man advance on the high road to prosperity and honorable position, and to co-operate with him in building up the waste places of the country.

But, while this is so, we protest against the tendencies of this dominant party; we protest against that wild spirit of change, revolution, and agrarianism fostered by this organization. And while the colored man is to be protected, in the name of God, let the *white man* have *protection* and equality before the law. Let the proud and noble Caucasian feel, once more, that he is an "AMERICAN CITIZEN."

I plead, therefore, for this great race of men, who have conquered the world, built up Empires, and filled the earth with the glory of their achievements. These men,

> "Whose tents are spread
> On Fame's eternal camping-ground,
> White Glory guards with solemn round,
> The bivouac of the dead."

Mr. Argo said, that the voice of the country had declared in favor of universal suffrage and he for one was prepared to support that voice. He thought that the material interest of the country demanded, what either war, or Legislature has embodied into the Constitution, should receive the hearty support of the whole country, without respect to party &c.

J. H. Harris, of Wake, colored, next occupied the floor in advocacy of the amendment and in reply to some of the remarks of Mr. Malone.

Mr. French called the previous question.

On motion of J. W. Leary, colored, the yeas and nays were called and the House refused to sustain the call for the previous question by a vote of yeas 37, nays 39.

Mr. Malone moved to adjourn.

The yeas and nays being called on the motion, the House refused to adjourn by a vote of yeas 28, nays 39.

After some public debate the resolution passed its second reading by the following ballot.

AYES.—Messrs. Speaker, Ames, Argo, Ashworth, Barnett, Barnes, Bowman, Candler, Carson, Carey, Cawthorn, Cherry, Crawford, Dixon, Edington, Forkner, Foster, Franklin, French, Gahagan, Gaster, Gentry, Harris, of Wake, Hayes, Hendricks, Hilliard, Hinnant, Hodgin, Hodnett, Hoffman, Horney, Humphries, Hudgings, Ingram, Jarvis, Justice, of Rutherford, Kelly, of Davie, Kinney, Leary, Long, of Chatham, Mayo, McCanless, Mendenhall, Moore, of Alamance, Moore, of Chowan, Morrill, Pearson, Pou, Price, Procter, Ramsay, Reid, Robbins, Robinson, Seymour, Siegrist, Simonds, Sweet, Sykes, Vestal, Vest, Welch, Wilkie, Wiswall.—63

NAYS—Messrs. Allison, Armstrong, Boddie, Clayton, Forbes, Gibson, Hawkins, Malone, McMillan, Painter, Pruitt, Thompson, Williams, of Harnett.—16.

The resolution was again read for the third time and passed.

Mr. French moved to reconsider the vote just taken.

Mr. Ames moved to lay that motion on the table. Carried.

The resolution was ordered to be engrossed and sent to the Senate.

On motion the House adjourned until to-morrow morning at 10 o'clock.

SENATE.

FRIDAY, March 5, 1869.

Leave of absence was granted the Senators from Rowan and Rockingham.

Mr. Barrow reported various bills, which were placed on the Calendar.

Senator from Guilford, from Special Committee on Physicians, reported back petition from that profession, unfavorably. Also, a report of the sale of the State's interest in public works, which was read. The report recommends a sale, upon certain contingencies.

Message from the House, transmitting various bills, passed by that House, and asking the concurrence of the Senate.

The bill for the relief of the Sheriff of New Hanover county, under a suspension of the rules, passed its several readings.

House bill, supplementary to an act, incorporating the Green Swamp Company, was read first time.

The Senator from Robeson moved a suspension of the rules, to have the bill read 2nd and 3d time, which was not agreed to, and the bill was placed on the Calendar.

Leave of absence was granted Mr. Welker, until Monday.

Mr. Barrow introduced a bill, from the Committee on Townships, concerning Townships,—legalizing the reports of Townships from the several Counties, and making provision for the election of Trustees of Townships.

SPECIAL ORDER.

The School Bill was considered, by sections,—the 78th section being under consideration when the Senate adjourned on the 4th.

[Various amendments were made to different sections, to report which would be unintelligible to the reader, without having the bill before him. The bill, when perfected, will be published in the *Sentinel*. The bill is lengthy, having 151 sections.]

Pending the consideration of this bill, Mr. Welker moved an indefinite postponement of the bill, as it was now, in his opinion, as also, in the opinion of Mr. Love, in an unintelligible form—and take up the old plan of Common Schools.

The Senator, from Jones, also favored its indefinite postponement, and that the whole matter be referred to the Board of Education.

Mr. Sweet opposed the postponement.—The Constitution, which he had sworn to support, made it obligatory on him to make provision for free public schools.—The Constitution does not create public schools.

Mr. Robbins regretted the motion. Time was unnecessarily consumed in such motions. He accorded with the Senator from Craven, that the General Assembly must create the schools—our duty demanded that a faithful discharge of this trust should be accomplished, and that promptly.

Mr. Barrow was astonished and mortified at the position occupied by Mr. Welker, and proceeded to discuss the powers and requirements, as delegated by the Constitution. He said the motion was equivalent to non action, and a palpable violation of the sworn obligations of Senators.

Mr. Osborne also opposed the motion to postpone, in an earnest and argumentive appeal, to proceed with the bill.

Senator from Robeson hoped the bill would not be postponed.

The yeas and nays were ordered and the motion did not prevail. The following is the vote:

YEAS—Messrs. Bellamy, Blythe, Colgrove, Harrington, Lindsay, Love, Stephens, Welker, and Winstead.

NAYS—Messrs. Barnes, Barrow, Beasley, Beeman, Brogden, Eaves, Eppes, colored, Forner, Hayes, Hyman, colored, Lassiter, Long, Melchor, Osborne, Robbins, Scott, Shoffner, Smith, and Sweet.

Mr. Hayes moved to postpone the further consideration of the bill, until Monday morning, 11 o'clock, and demanded the yeas and nays, which resulted, yeas 14, nays 13.

Mr. Barrow moved to take up the bill restricting the jurisdiction of the Courts.

The yeas and nays were demanded on that motion, and resulted in the negative.

Mr. Welker introduced a bill to repeal secs 2 and 3 of an act to incorporate Medical Board of N. C.

Mr. Brogden introduced a bill in relation to punishment.

The bill for the preservation of the public health, was taken up on its 3d reading, and passed.

Bill to amend the Code of Civil Procedure, defining *fees*, was read a third time.

Mr. Osborne moved to postpone till Tuesday next. Agreed to.

Mr. Love: A resolution that no ratified act or resolution shall be printed, unless by direction of the two Houses.

An act in reference to the deputies of Clerks of Superior Courts—making their acts valid—was read 2nd time, and laid on the table.

The bill in regard to witnesses in civil actions—read 2nd time and rejected.

Mr. Osborne arose to a personal privilege. He was necessarily absent from the Senate last night, and did not record his vote on the 15th amendment, and asked leave to do so now. *He voted in the affirmative.*

The Senate then adjourned, till to-morrow morning, 9 o'clock and 50 minutes.

HOUSE OF REPRESENTATIVES.

FRIDAY, March 5, 1869.

House called to order at the usual hour. Prayer by the Rev. B. W. Morris, colored.

On account of the sickness of the Clerk, the reading of the Journal of yesterday was dispensed with.

Mr. Robinson arose to a question of privilege. He felt that the proceedings of the House on Wednesday evening last, as reported in the *Sentinel* of this morning, did him great injustice, and calculated to place him in a false light before the people he represented. On that evening he left his boarding house at the usual time, and reached the door of this Hall in less than five minutes after the House was called to order, and found the door locked. When the door was opened he with others (who he had met at the door) were asked by the Doorkeeper to appear before the bar of the House, and after sundry ridiculous motions made by the members assembled, they were released. Now he desired to say, that the grave charges made on that evening by the member from Caldwell, (Mr. Malone) did not apply to him, as he neither "lounged about the rooms, went to caucuses," nor escorted the girls about generally" He had never been absent a single day from the sessions of the House and desired that his constituents should know the truth as he had stated.

Mr. Argo arose to a question of privilege. He stated in substance what Mr. Robinson had said in regard to arriving at the door a few minutes after the House was called to order &c. He had since learned that the clock had been put up, in order that the House might be called to order and adjourn before a quorum could be got together. He did not wish it to go abroad, that he in any way ever shirked his duty as a Representative of his people.

Mr. Moore arose to a question of privilege. He had arrived at the door of the House in company with Messrs. Argo and Robinson, and they in their remarks had exactly stated his case, &c.

Mr. Ingram said it gave him pleasure to testify that the gentlemen who had just spoken had been very attentive to their duties and regular in their attendance upon the House, and had always deported themselves with that dignity which becomes Representatives of the people, &c. But he did charge that there were some members who did all they could to embarrass legislation, &c.

Mr. Jarvis introduced a resolution keeping open this journal of yesterday, in order that absent members might record or change their votes upon the constitutional amendment.

After being amended so as to provide that the result should not be affected, the resolution was adopted under a suspension of the rules.

Mr. Malone arose to a question of privilege. The statement of the proceedings by the Reporter of the *Sentinel* were substantially correct, and he (Mr. Malone,) thought he (the Reporter) could not have done less and done his duty. At the same time the gentlemen who have risen to a question of privilege this morning are not subject to the intimation implied in the remarks made by himself. As to the gentlemen from Macon, Orange and Alamance, they have always been attentive to their duties in this House. But the conduct of many members on that occasion was such as to deserve at least criticism. He hoped it would be understood that he had no allusion to any particular member. The remarks were of a general nature and in discharge of what he believed to be his duty on that occasion as a member of the House, &c.

Messrs. Sinclair, Hawkins, Gatling, Shaver, Ellington, Foster and Sykes, colored, arose to a question of privilege and explained why they had been summoned before the bar of the House on Wednesday evening last.

On motion of Mr. Bowman, the rules were suspended, and the Senate resolution raising a Joint Committee to report a bill for the relief of the people, was taken up and adopted.

Mr. Barnett, from the Committee on Corporations, reported several bills which were placed upon the Calendar.

By Mr. Pou: A resolution that no question of privilege shall be entertained, pending the consideration of any other business, except by consent of the House. Lies over.

By Mr. Dixon: A resolution printing ten thousand copies of the Annual Report of the State Geologist. Lies over

By Mr. Candler: A bill to abolish certain toll gates. Referred.

By Mr. Robinson: A bill to authorize the Commissioners of Macon county to levy a special tax. Referred.

By Mr. Grier: A bill to incorporate the Catawba Valley Land Company, at Charlotte, N. C. Referred.

By Mr. Sinclair: A bill to extend the operations of Title 12, Code of Civil Procedure. Referred.

By the same, a bill to extend the operations of Title 21, Code of Civil Procedure. Referred.

By the same, a bill to relieve against laws of negotiable promissory notes or bills of exchange. Referred.

By Mr. French: A bill to amend the laws of Navigation and Pilotage for the Cape Fear River. Referred.

SPECIAL ORDER.

The Bill concerning the Western Turnpike road.

After some little debate, the bill passed its third reading, by a vote of yeas 53, nays 31.

On motion of Mr. Downing, the rules were suspended, and the bill to amend the Charter of the Cheraw and Coalfield Railroad, was taken up and passed its several readings.

On motion of J. S. Leary, colored, the rules were suspended and the bill authorizing the Commissioners of Cumberland to levy a special tax was taken up and passed its third reading by a vote of yeas 60, nays 8.

The bill incorporating the Central North Carolina Railroad Company was taken up, amended and passed its several readings under a suspension of the rules.

On motion of Mr. Barnett, the rules were suspended, and the bill to enable the Chatham R. R. Co., to complete its road, was taken up.

On motion of Mr. Pou, the bill was postponed until Wednesday next, at 11 o'clock.

On motion of Mr. Bowman, the rules were suspended, and the bill laying off the homestead and personal property exemption, was taken up and discussed until the adjournment of the House.

On motion the House adjourned, until to-morrow morning.

NOTE—In the report of Wednesday night's proceedings, Mr. Pou, was made to say he hoped the motion to adjourn would prevail; as Wyman would exhibit several nights in the City. It should have been that, he hoped the motion to adjourn would not prevail &c.

Mr. Nicholson, was also wrongly reported as being brought before the bar of the House. It should have been Mr. Davidson.

☞ MR JAMES ROBINSON, in re-visiting the South with a Circus of his own, would state that he does so in accordance with a long-cherished desire to appear before the friends of his childhood, in the hope of receiving the same marks of approbation that he was so often the recipient of in the outset of his professional career. Wearer of golden gifts from all the Crowned Heads of Europe, possessor of the DIAMOND STUDDED BELT, and with the conceded and universally admitted title of "CHAMPION" he desires in his manhood to receive the full endorsements of approval from those who sustained and encouraged him in his infancy.

MISCELLANEOUS.

SYNOPSIS OF STATEMENT FOR 1868, OF THE CONNECTICUT MUTUAL LIFE INSURANCE COMPANY.

Income from Premiums,	$7 161,303 11
Income from Interest,	1,584,905 48
Total Income for the year,	8,746,209 59
Losses paid,	1 221,535 00
Dividends paid,	976,904 00
Total Losses paid to date,	8,060,934 00
Total Dividends paid to date,	3,197,319 00

It will be seen from the above that the INCOME FROM INTEREST ALONE greatly exceeds the losses, and that the TOTAL INCOME FOR ONE YEAR is more than the TOTAL LOSSES PAID TO DATE.

The Assets of the Company are now over TWENTY-THREE MILLIONS OF DOLLARS, and with its INCREASE INCOME offers greater inducements to those insuring than any other Company in the country. In addition to the part-credit system of premiums with dividends annually payable after four years, it issues Policies upon a reduced all-cash premium, with immediate ANNUAL DIVIDENDS. It can be plainly seen that the Connecticut Mutual Life has been doing a safe and increasing business for the last twenty-two years. It does not deem it necessary to make grand promises of what they INTEND doing, but will insure persons on any plan most desirable, and it makes all its policies non-forfeitable, for a stated amount, after two or three payments. Also remember, this Company has PAID Assets securely invested, for every $100 of its Liabilities.

THE SENTINEL.

SATURDAY, MARCH 6, 1869.

OUR "BELOVED" GOVERNOR POCKETS ILL GOTTEN GAIN—JUDGE BROOKS CORRECTS HIM BY ORDER OF COURT, BUT HE HEARS NOT, HE HEEDS NOT THE ORDER.

There has been universal complaint of the extortion imposed upon petitioners in bankruptcy.

There was extortion in printing, and Governor Holden was the man guilty of it. He charged for notice of petition and the first meeting of creditors, $12, and for other printing in the same proportion.—This was a higher charge than any Editor was ever known to make for the same amount of matter printed. It exceeded even a California charge. Complaint being made to the Judge, he ordered that the Editor should receive six, instead of twelve dollars.

Ten days ago, a bill of cost in the Bankrupt Court was made out against a petitioner from Orange. In the bill was a charge of twelve dollars, for the Governor, as Editor of the *Standard*. Yet the Judge had decided that only six should be charged. The petitioner refused to pay it. That he refused, cannot be attributed to disloyalty, for he is one of the Governor's Squires, and honestly believes that the Governor has done more to educate the people of the State to the doctrine of secession than any hundred and forty men to be named.

The Governor will get out by saying he did not know it,—he had no knowledge of it. He should have known it, and have instructed the Commission not to charge it.

We have before alluded to the case of Cowens, from Orange, but it is so iniquitous, and so like the Penitentiary swindle in boldness, that we notice it again, with this extortionate charge of twelve dollars, which goes to fill the Governor's pockets.

Cowen was a merchant, his goods and effects brought some 3,000 dollars. The Governor, as Editor of the *Standard*, had his fee of 12 dollars which Judge Brooks subsequently said should be six. Cebe Harris, as deputy Marshall, had charges amounting to 400 dollars—$00 of which was for storage of goods for two months—and Cowen, the Petitioner, had, when filing his petition, paid, in cash, 75 dollars. Dewese, the Commissioner, claimed 125 additional. The cost as claimed and made out was near 1,200 dollars. In a small way this beats the Penitentiary.

GEN. GRANT'S INAUGURAL.

This document has one eminent merit—it is short enough. With the exception of Mr. Lincoln's first inaugural, we believe, the one published in our issue of yesterday, is the briefest on record. We like these short speeches upon induction into office. They can be read so easily, and remembered without much effort.

The style of the inaugural is, by no means, rhetorical, but, perhaps, it is none the worse for that. It is, evidently, the production of the man who delivered it before the immense multitude that gathered about him. The general tone of the address is commendable. Its spirit is far better than his professed friends had foreshadowed. It is fortunate for the country that its President can say: "I have taken the oath without mental reservation, and with the determination to do, to the best of my ability, all that it requires of me." That oath requires him to support the Constitution, and he declares, promptly, that he means to do it.

He says again: "The office has come to me unsought, and I commence its duties untrammelled." This augurs well, surely, for all concerned! But hear him farther: "I bring to it a conscientious desire and determination to fill it to the best of my ability, to the satisfaction of the people."—Do this Gen. Grant and your country will call you blessed. Be the President of the whole country, and not of a mere section or party, and you will make a name for yourself in history that will be imperishable.—As we said yesterday, we hope for better times. There is a pacific, and yet, an independent tone in his address that promises well for the future. We sincerely trust that our anticipations may be realized fully, and that all corruption and discord may be banished from the land forever. The new President has a stupendous work before him. It is in his power to allay the dissensions of the nation, and to heal the wounds of those brave and true men whose spirits have been fretted and galled by gross misrepresentation and oppression. It is in his power to stay forever with his strong hand, the accursed ploughshare of fanaticism and ruin which, for the last four years, has been driven deep into the happiness and prosperity of our people. If he give the sanction of his name and exert the authority which he will yield, in behalf of the *whole* people, he will, indeed, prove himself to be "the coming man"—

> "——A man, with heart head and hand,
> Like some of the simple great ones gone
> Forever and ever by,
> A self strong man in a blatant land,
> Who can rule and dare not lie."

Among the recent graduates in the Medical department of the University of New York, were the following North Carolinians: L. L. Alexander, J. E. Caldwell, R. Kennedy, W. M. Pullippe, L. L. Stanton and C. L. Watts. The last mentioned gentleman received a certificate of honor.

GOVERNOR HOLDEN'S PARTIALITY FOR MULE MEN.

"Hon" Windy Billy Henderson who is now indicted for stealing a mule, is the Governor's choice for Director of the North Carolina Railroad.

But a few days since, Mrs. Mitchener, a widow lady of Johnston county, had stolen from her stable two mules. It had rained, and the ground was in good order for tracking mules or thieves. Next morning when the mules were missed, a young man in the employment of Mrs. Mitchener, set out in pursuit of the mules, whose tracks were plainly to be seen. He found them thirty miles off in the county of Sampson, with their tails shaved. The mules and the man who had taken them to Sampson, were all brought back to Johnston County. This Sampson man whose name we have forgotten, was known to have been in the neighborhood of Mrs. Mitchiner a few hours before the mules were stolen.

When on trial before two of Holden's 'Squires of Johnston County, the Sampson man proved that he bought the mules from two unknown negroes, and was accordingly released. Not even bound over to Court.

A man with his wagon in Camp near Smithfield, who is found next day 30 miles off with stolen mules in his possession, and which, according to his own confessions, he had bought from the unknown negroes in the night, makes a cause sufficient for binding over to Court, and every honest man will so decide. Yet the Governor's 'Squires failed to do so.

We shall not hold the 'Squires to account for it, for they are only carrying out the Holden policy. We suppose there is not a single County in the State where Holden has not appointed a disreputable negro or base white man to act as a Justice of the Peace, while many of his magistrates are respectable men. He is known to have appointed many convicted, as well as unconvicted, felons.

He offered to make a mechanic of Hillsboro, Mayor of that town, but he declined, because Holden, said he, had chosen so many mean men for office, it might be thought he was mean.

The quiet submission of the people to the appointment of incompetent, corrupt and inefficient officials by the Governor, without even a protest, is one of the evidences of their broken and subdued spirit.

ANDREW JOHNSON.

The changes wrought by our popular elections has sunk the President into the citizen, and to day, the late head of the nation, is a mere private individual, of not much more consequence or influence than hundreds of others who will never wear the purple. Whilst we have never been an especial admirer of Mr. Johnson, we are not of those who are unable to discover anything in his administration calculated to excite gratitude or admiration. Doubtless in many instances, he only displayed the characteristics of a political time-server; doubtless he exhibited in some of his contests more bravado than pluck; doubtless he failed because he feared, and still, we can find in his conduct, something above the mere performances of a huge humbug and political charlatan.

We think the careful and candid examiner of his Presidential career, will agree, that, he displayed no little scrupulousness in the exercise of his powers, and rarely, if ever, transcended his proper prerogatives. We remember, too, how careful he was to veto the bill in regard to the freedmen's bureau, that bestowed upon him vast powers, because he thought it might prove perilous to the best interest of the nation. We believe that the voice of true history, will echo the statements made in the following observations, which we clip from the Baltimore *Sun*:

"Whatever the opinions now held of the policy and principles maintained by President Johnson, so far as the Southern States are concerned they were in accordance with those of President Lincoln, and whatever the future may bring forth, whether a return to the old constitutional landmarks, or a still wider divergence, nothing is more certain than that the pen of impartial history, when political passion shall have subsided, will give him credit for upholding the true principles of the Constitution, in accordance with the interpretations of all his predecessors. It will be admitted that in what pertains to the relation of the States to the federal government, the lines of demarcation between the executive and the legislative departments, and the subordination of the military to the civil authority, he has evinced an intelligent understanding of our system of government, and an honest, intrepid and persistent purpose to maintain it at all hazard of personal popularity."

If these things indeed be true, then Mr. Johnson deserves many thanks at the hands of the American people. Differ as we may as to his general merits, all must accord him some devotion to the principles of the Constitution, and some boldness in their vindication.

It is rumored that he will probably be a candidate for Governor in Tennessee. He is a tremendous power in that State, and will be elected in all probability, if the rumor should turn out to be true.

The debate in the Senate Thursday night, on the 4 section of the 13th congressional amendment to the Constitution, was of the most interesting nature. Mr. Robbins is said to have made his best effort on the occasion. Mr. Graham, also, made a capital speech in opposition to the amendment. The amendment, however, was adopted by a strict party vote, save Mr. Love, who voted for the adoption.

The great Wizard and Ventriloquist Wyman, gives his last performance to-night at Tucker Hall. He has been favored with very large audiences, who appeared greatly delighted at the novel and pleasing entertainments. His distribution of presents is not the least of the attractions he offers.

Mr. F. W. Walter, of the extensive Piano establishment of Knabe & Co., Baltimore, is now in our City. He will attend to the tuning of any pianos that may need it. We suppose there can be no doubt of the superior capabilities of Mr. W., representing, as he does, one of the best known establishments in the U. S. Orders to be left at the Exchange Hotel.

STATE ITEMS.

The Wilmington *Star* is soon to be enlarged. It is well managed and deserves success.

Four thousand shares of Wilmington and Weldon Railroad owned by the State, have been purchased by parties in Baltimore.

Levi Lynch was killed a few days ago in Wilkes county by Steelman. The weapon used was a pistol. They were both desperate characters.

On last Sunday, between eighty and ninety emigrants from Randolph county, left for Illinois, Kansas and Indiana. This is lamentable.

Mrs Sallie Blackwell, aged 50, was robbed and murdered in Caswell county on Thursday last. She was found in her house on Friday morning lying on the floor, weltering in her blood. Her skull had been fractured. The murderer is supposed to be a negro man. His camp fire was found.

A meeting of the Stockholders of the Eastern and Western Division of the Western N. C. Railroad will be held at Morganton the 7th of April, to consider the late amendments to the charter.

Escape of Prisoners.—On Sunday morning last all the prisoners confined in in the county jail at Asheville made their escape. Among the number is Col. Keith, whose case is well known to the public.

The still of Messrs Berry and Godwin, near Lumberton, was destroyed by fire on Sunday night last.

An incendiary set fire to, and burned up several hundred barrels of rosin belonging to a Mr. M. Quen, near Red Banks.

Maj McClaine shot at H. H. Walston in Goldsboro' on Saturday, but fortunately missed him. The parties had a difficulty arising from some family affairs.

The mill house of W. D. Farmer, near Joyner's Depot, was destroyed by fire a few nights since. The fire was the work of an incendiary. The loss is quite heavy, including grist mill, cotton gin, &c.

Dr. Murphy has probably been elected to the Senate from the Cumberland district.

George Banylin, another of the condemned murders at Weldon, has been arrested in Norfolk county, Va.

LIFE INSURANCE.

NATIONAL

LIFE INSURANCE COMPANY,

OF THE

UNITED STATES OF AMERICA,

WASHINGTON, D. C.

Chartered by Special Act of Congress, Approved July 25th, 1868.

CASH CAPITAL,

$1,000,000,

PAID IN FULL.

This Company, National in its character, offers, by reason of its large capital, low rates of Premium, and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complexities and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-holder.

Several new and attractive tables are now presented, which need only to be understood to prove acceptable to the public, such as the INCOME-PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an ANNUAL INCOME equal to ten per cent. (10 per cent) of the par of his policy. In the latter the Company agrees to return to the assured the total amount of money he has paid in in addition to the amount of his policy.

The organization of this Company on the LOW RATE, CASH PLAN, with new features and unequaled security, has evoked the most remarkable opposition from older and rival Companies. By means, fair and unfair, they have sought to injure the new system, and have attached it with a degree of virulence unknown in the history of Life Insurance.

Not satisfied with the immense sums of money paid Insurers and other journals, to try and check the rapid progress of the National an unsuccessful attempt was made in Congress to repeal its charter, and which but accelerated its speed for good, even the largest policies issued have been taken by members of Congress, whose attention has been thus attracted to its unsurpassed advantages. In the face of this opposition, the work of the Company has gone steadily forward and it is with no little satisfaction that the GENERAL AGENTS are able to state that the business to date is far in advance of anything hitherto accomplished.

In Six Months 3,000 Policies have Been Issued.

INSURING, IN ROUND NUMBERS,

$10,000,000.

The attention of persons contemplating insuring their lives, or increasing the amount of insurance they already have is called to the special advantages offered by the National Life Insurance Co.

Executive Committee:—George Little, Willie J. Palmer and Jas. A. Mason.

Office of the Company, at present, at the store of W. H. Jones & Co., Raleigh, N. C., where the officers may be found.

The Company is now ready to receive applications for insurance on the mutual plan, and to issue policies. This scheme is fully explained in a circular addressed to the people of North Carolina, to which special attention is called. It can be had by addressing the secretary, or from our Agents. It is believed that our mutual plan offers inducements to the people at large, not equaled by other Companies.

The Company has issued a Prospectus to raise a Capital Stock to enable it to take Life risks on the stock plan. When this is done, the Company will offer a very superior scheme of Life Insurance on this plan.

We want Agents in every city, town and village in the State. As the Company will be managed with the strictest economy and efficiency, for the benefit of the insured and all interested.

We must build up our home institutions and, as far as possible, keep our money at home to promote home enterprise, home industry and prosperity.

$50 Reward.

TWO OR MORE PERSONS broke into my cellar, on Sunday night last, and stole therefrom some $300 worth of LIQUORS and other wet goods. Among the articles stolen was one TEN gallon and two FIVE gallon kegs of Whiskey, branded "Joe Williams, Yadkin County" and one keg containing 14 gallons of very fine old Apple Brandy.

I will give FIFTY DOLLARS reward for the apprehension of the thieves, and the recovery of the above named articles.

CAPITAL OF THE STATE

Daily, Semi-Weekly and Weekly.

NEW ARRANGEMENT.

The RALEIGH SENTINEL having passed under the Editorial management of the undersigned, it will, from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the men and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

THE LATEST NEWS

From every quarter, both by mail and telegraph will be carefully collated and presented.

Full and correct market and financial reports will be given.

And, in one word, no effort will be spared to make the SENTINEL, in all respects, a reliable

NEW METHOD OF WASHING CLOTHES

WITHOUT LABOR.

THE AUTOMATIC

CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, reliable and universally recommended. It can be used on any stove or range, in any boiler, and its Low Price of the entire pieces is within the reach of every family.

This Boiler operates upon purely philosophical principles, is self-acting, the dispenses with labor and the wear of the clothes.

The hot suds and steam, by the action of heat, are driven up through tubes, pierced upon the bottom, and forced through the fabric with astonishing rapidity, cleansing all articles, from the finest laces to the coarsest linen. For Flannels it is invaluable, as it does not fall them as in the old process in rubbing and pressing.

Any clean requires for cleansing a boiler full of clothes is twenty to thirty minutes, and twenty-three hundred gallons of boiling suds are forced through the boiler, thoroughly cleansing and revivifying the fabric WITHOUT LABOR or friction.—A thorough rinsing endures the process.

Washing day will no longer be a terror and dread to housekeepers. The cost of the Boiler will soon be refunded in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appears so directly to commend itself, that we have deemed it unnecessary to accompany the introduction with numerous letters of approval, &c.

No invention has met with such ready sale and given such satisfaction. Call at ROBERTS' and see its wonderful operations.—We have the exclusive right to sell and manufacture in the State.

What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? So let them talk, puff and blow, but stop, LOOK OUT! **HANDS OFF!** and show your good judgment by
